

M SERIES & DM SERIES INCLINED SCREENS

Vertical Ribbed Reinforcement Plate

Corner Supports

Features and Benefits

- ▶ Fatigue resistant no-weld side plates and on larger units a HuckBolt® construction for maximum reliability
- ▶ Wide series, large bore bearings for maximum performance and bearing life, available in single or dual shaft configurations
- ▶ Bronze sleeves provide long term shaft protection from fretting corrosion and damage
- ▶ Vertical stiffener ribs along with one-piece welded decks ensure maximum structural strength and rigidity
- ▶ Rubber covered shaft housings provide wear protection; rubber or AR deck member protection available
- ▶ Hardox 450, bolted-in side and discharge liners
- ▶ Bolt-on, replaceable spring guide plates are simple to remove and permit easy spring replacement
- ▶ Swing away back plates or rubber curtain enclosures on feed end prevent spillage while allowing quick access to change screen cloth
- ▶ Split crown deck on wide screen models
- ▶ Units can be customized to fit specific applications

Bronze Sleeve Shaft Protector
